GOLF PULL CART HITCH FOR BICYCLE WITH REAR RACK

Figure 1

Insert the BYCIGOLF rear rack into the bike rack.

Figure 2

Tighten the BYCIGOLF rear rack fasteners to the bike rack with the Allen key provided with the parts.

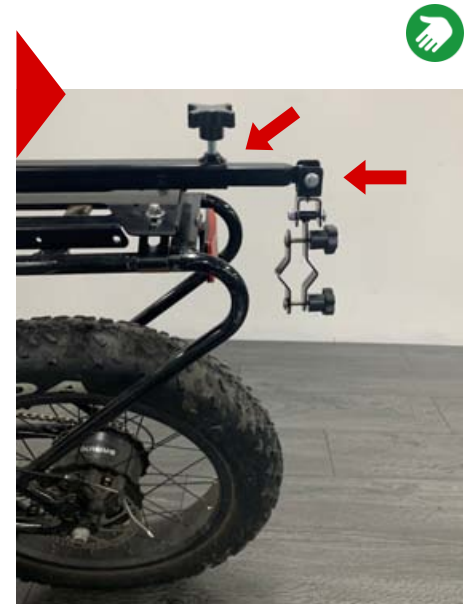

Figure 3

Insert the BYCIGOLF cart hitch into the appropriate hole in the BYCIGOLF rear rack. Then tighten the knob until the fastener stops moving.

GOLF PULL CART HITCH FOR BICYCLE WITH REAR RACK

Figure 4

Attach the BYCIGOLF cart hitch to the golf cart by fitting the handle in the space between the two tightening knobs and screwing all the way in.

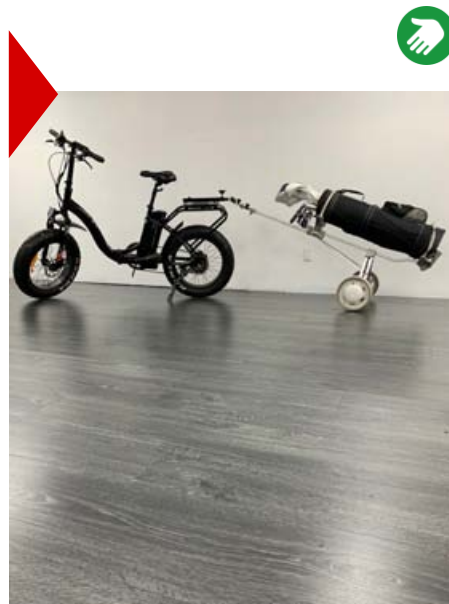

Figure 5

Place your bag of golf clubs on the cart.
